Premium

Pool Heater Models 280 & 430

There are some pool & spa heating applications that call for a more rugged heater that will meet the toughest of operating conditions and environments. Rheem's range of Raypak Premium pool & spa gas heaters are built for these conditions and suitable for small to medium commercial installations.

Premium gas heater range features:

- Robust powder coated all metal construction
- Reliable & trustworthy performance
- Cupro-nickel heat exchanger for greater protection against corrosion
- All bronze headers for greater temperature tolerance and corrosion protection
- Stainless steel constructed base.
- Stainless steel combustion support structure.
- Powder coated heavy gauge metal casing to withstand the harshest operating conditions
- Our heater allows you to operate two motorised actuator valves (pool to spa changeover) and also has a pump run on timer, which protects the heat exchanger in the cool down mode
- Energy saving "hot surface ignition"
- Integration capabilities with other pool & spa control equipment
- Manufactured in Australia
- Remote control connection available as an option
- Suitable for either indoor or outdoor installations. (Outdoor hood supplied standard with heater)
- Service code diagnostics
- Child-lock function

Spa Heater Models 127 & 167

Models 127 & 167 are purpose built spa heaters. They are capable of heating almost any spa on demand.

Both models provide an extensive list of standard features including:

- Digital thermostat display
- Integration capabilities with other pool & spa control equipment
- Energy saving "hot surface ignition"
- All bronze headers for greater temperature tolerance and corrosion protection
- Stainless steel constructed base.
- Stainless steel combustion support structure.
- Remote control available as an option
- Service code diagnostics
- Child-lock function
- Suitable for outdoor installations only

In keeping with our policy of continuous progress and product improvement, we reserve the right to make changes without notice.
